

## § 4044.30

the allocation within a priority category on the basis of the subclasses established by the plan increases or decreases the cumulative amount of assets that otherwise would be allocated to guaranteed benefits, the assets so shifted shall be reallocated to other participants' benefits within the priority category in accordance with the subclasses.

(c) *Exception for subclasses in effect on September 2, 1974.* A plan administrator may allocate assets to subclasses within any priority category, other than priority categories 1 and 2, without regard to the limitation in paragraph (b) of this section if, on September 2, 1974, the plan provided for allocation of plan assets upon termination of the plan based on a participant's longer service, older age, or disability, or any combination thereof, and—

(1) Such provisions are still in effect; or

(2) The plan, if subsequently amended to modify or remove those subclasses, is re-amended to re-establish the same subclasses on or before July 28, 1981.

(d) *Discrimination under Code.* Notwithstanding the provisions of paragraphs (a) through (c) of this section, allocation of assets to subclasses established under this section is permitted only to the extent that the allocation does not result in discrimination prohibited under the Code and regulations thereunder.

### Subpart B—Valuation of Benefits and Assets

#### GENERAL PROVISIONS

## § 4044.41 General valuation rules.

(a) *Valuation of benefits—(1) Trusteed plans.* The plan administrator of a plan that has been or will be placed into trusteeship by the PBGC shall value plan benefits in accordance with §§ 4044.51 through 4044.57.

(2) *Non-trusteed plans.* The plan administrator of a non-trusteed plan shall value plan benefits in accordance with §§ 4044.71 through 4044.75. If a plan with respect to which PBGC has issued

a Notice of Sufficiency is unable to satisfy all benefits assigned to priority categories 1 through 4 on the distribution date, the PBGC will place it into trusteeship and the plan administrator shall re-value the benefits in accordance with §§ 4044.51 through 4044.57. (See Note at beginning of part 4044.)

(b) *Valuation of assets.* Plan assets shall be valued at their fair market value, based on the method of valuation that most accurately reflects such fair market value.

#### TRUSTEED PLANS

## § 4044.51 Benefits to be valued.

(a) *Form of benefit.* The plan administrator shall determine the form of each benefit to be valued in accordance with the following rules:

(1) If a benefit is in pay status as of the valuation date, the plan administrator shall value the form of the benefit being paid.

(2) If a benefit is not in pay status as of the valuation date but a valid election with respect to the form of benefit has been made on or before the valuation date, the plan administrator shall value the form of benefit so elected.

(3) If a benefit is not in pay status as of the valuation date and no valid election with respect to the form of benefit has been made on or before the valuation date, the plan administrator shall value the form of benefit that, under the terms of the plan, is payable in the absence of a valid election.

(b) *Timing of benefit.* The plan administrator shall value benefits whose starting date is subject to election using the assumption specified in paragraph (b)(1) or (b)(2) of this section.

(1) *Where election made.* If a valid election of the starting date of a benefit has been made on or before the valuation date, the plan administrator shall assume that the starting date of the benefit is the starting date so elected.

(2) *Where no election made.* If no valid election of the starting date of a benefit has been made on or before the valuation date, the plan administrator shall assume that the starting date of the benefit is the later of—

## § 4044.55

(i) The expected retirement age, as determined under §§ 4044.55 through 4044.57, of the participant with respect to whom the benefit is payable, or

(ii) The valuation date.

### § 4044.52 Valuation of benefits.

The plan administrator shall value all benefits as of the valuation date by—

(a) Using the mortality assumptions prescribed by § 4044.53 and the interest assumptions prescribed in appendix B to this part;

(b) Using interpolation methods, where necessary, at least as accurate as linear interpolation;

(c) Using valuation formulas that accord with generally accepted actuarial principles and practices;

(d) Taking mortality into account during the deferral period of a deferred joint and survivor benefit only with respect to the participant (or other principal annuitant); and

(e) Adjusting the values to reflect loading expenses in accordance with appendix C to this part.

### § 4044.53 Mortality assumptions.

(a) *General rule.* Subject to paragraph (b) of this section (regarding certain death benefits), the plan administrator shall use the mortality factors prescribed in paragraphs (c), (d), and (e) of this section to value benefits under § 4044.52.

(b) *Certain death benefits.* If an annuity for one person is in pay status on the valuation date, and if the payment of a death benefit after the valuation date to another person, who need not be identifiable on the valuation date, depends in whole or in part on the death of the pay status annuitant, then the plan administrator shall value the death benefit using—

(1) The mortality rates that are applicable to the annuity in pay status under this section to represent the mortality of the pay status annuitant; and

(2) The mortality rates applicable to annuities not in pay status and to deferred benefits other than annuities, under paragraph (c) of this section, to represent the mortality of the death beneficiary.

(c) *Mortality rates for healthy lives.* The mortality rates applicable to annuities in pay status on the valuation date that are not being received as disability benefits, to annuities not in pay status on the valuation date, and to deferred benefits other than annuities, are—

(1) For male participants, the rates in Table 1 of appendix A to this part, and

(2) For female participants, the rates in Table 1 of appendix A to this part, set back 6 years.

(d) *Mortality rates for disabled lives (other than Social Security disability).* The mortality rates applicable to annuities in pay status on the valuation date that are being received as disability benefits and for which neither eligibility for, nor receipt of, Social Security disability benefits is a prerequisite, are—

(1) For male participants, the rates in Table 1 of appendix A to this part, set forward 3 years, and

(2) For female participants, the rates in Table 1 of appendix A to this part, set back 3 years.

(e) *Mortality rates for disabled lives (Social Security disability).* The mortality rates applicable to annuities in pay status on the valuation date that are being received as disability benefits and for which either eligibility for, or receipt of, Social Security disability benefits is a prerequisite, are the rates in Tables 2–M and 2–F of appendix A to this part.

### § 4044.54 [Reserved]

#### EXPECTED RETIREMENT AGE

### § 4044.55 XRA when a participant must retire to receive a benefit.

(a) *Applicability.* Except as provided in § 4044.57, the plan administrator shall determine the XRA under this section when plan provisions or established plan practice require a participant to retire from his or her job to begin receiving an early retirement benefit.
